## Parental Consent Form

Dear Parent / Guardians,

Our school is involved in a great many activities during the course of the school year. Occasionally, we are photographed / videoed from various media sources including, but not limited to Newspapers, television and film during our performances. It is a good resource for our school to be seen in various forms of media and the children love nothing better than seeing themselves on TV or in the paper. Additionally, I have a FB page, a Twitter Account and an Instagram account for the school, which is managed by my staff and I. We will post pictures of our dancers at different events throughout the year. Finally, our end of the year show is always videotaped as a keepsake for the dancers. For the protection of all involved, I will need a signed consent form. If you have more than one child in the school I will need their names individually listed below.

If you do not wish to allow your consent, I will remove your child(ren) from any in-class pictures we take and they will not be a part of the show team as I cannot control what happens outside of my class. Thank you so much for your cooperation.

Sincerely,

**Maureen O'Malley-Byrnes, TCRG**
